Description

this 2023 BMW 3 Series M340i is a superb example of a performance vehicle. Featuring a 3.0L Petrol Hybrid engine and a four-wheel drive drivetrain, this Euro 6 emission class vehicle combines power with efficiency. The last service was completed on 7th February 2025 at 17,823 miles, ensuring it's up-to-date with maintenance. Inside, the M Carbon Pack and Carbon Fibre interior trim create a sporty atmosphere, complemented by the Harman Kardon surround sound system for an immersive audio experience. The Technology Package adds convenience with Bluetooth, Head Up Display, and Wireless Phone Charging, while the driver benefits from Front Lumbar Support. This BMW 3 Series M340i stands out with its impressive acceleration, reaching 0-62mph in just 4.4 seconds, demonstrating its superior performance capabilities. Additionally, it falls into a low insurance group, which means it could be more affordable to insure than other vehicles in its class. This combination of performance, luxury, and reasonable running costs makes it a compelling choice for discerning drivers.
